

GRANT WRITING CO-WORKING DAY

Stop procrastinating: bring your computer and write THAT application!

When: Friday, February 23, 2018
10:00 a.m. to 4:00 p.m.

Where: Fresh Ground
256 King Street East
Kitchener, ON N2G 2L1

Free: No charge - everyone welcome!

Got a grant to write?

Bring your computer and work on your grant alongside other artists. If you need to, you can ask for assistance from the on-site instructor, Isabella Stefanescu, Artistic Director at Inter Arts Matrix. Come for the day, the morning or afternoon, or just drop in for a couple of hours.

If you have a project you are trying to fund, Isabella will talk it over with you and get you started. We might be able to help you find a suitable grant for your project. Or we can give you a hand getting an online profile with a granting body. If you need help drawing up a budget or a time-line, articulating your project, its viability or impact, we can give each other a hand. And we can proofread your application.

“Writing a grant application makes you a better artist.”

Really: You have to articulate what you want to do, figure out who you are going to work with and where, make a timeline, a budget. And if you get the grant you actually have to do the project - make art. The more art you make the better you get as an artist – QED.
