The Region of Waterloo Arts Fund is a not-for-profit corporation created in 2002 to provide arm's length funding for the performing, visual and literary arts in the Region of Waterloo. It receives its funding from the Council of the Regional Municipality of Waterloo. Twice a year (spring and fall) applicants are asked to first submit a brief (maximum two pages) letters of intent. Based on those letters, a shortlist of applicants is asked to submit detailed proposals.

The Arts Fund's aim is to "make art happen" (i.e. stimulate arts activity), both in the next 12 months and with projects that will enhance an organization's ability to make even more art happen in the future.

Applicants are encouraged to create new works, to bring art to the public, to benefit the Region of Waterloo and create works that might not happen or might not happen as well without such support. All disciplines are welcomed and applications are encouraged from both individuals and arts organizations throughout the Region, made up of the cities of Cambridge, Kitchener and Waterloo and the four townships of Wilmot, Woolwich, Wellesley and North Dumfries. Adjudication of applications is done by the broadly based 14-member board of the Fund.
