Created in 2002, the Region of Waterloo Arts Fund is a not-for-profit corporation which provides arms-length funding for the performing, visual, media and literary arts in the Region of Waterloo. The Arts Fund invites applications in the spring and fall of each year. Applicants are first asked to submit a Stage 1 application outlining their project.

On the basis of a review of those applications, a short list of applicants is then asked to submit more detailed proposals including images and audio visual support material for the proposed project.

The Arts Fund is one of the very few funds in Canada that awards grants directly to artist led projects. The Arts Fund also supports new projects initiated by local arts organizations in collaboration with artists based in the Region. The funds are generously made available through Regional Council's allocation of 40 cents per capita.

The objective of the Arts Fund is to "make art happen" – stimulate arts activity – immediately through projects that will happen within the next 12 months, and over the longer term through projects that will enhance the ability of an artist or arts organization to make more art happen in the Region in the future.

In 2012 for every \$1.00 granted by the Arts Fund the supported projects leveraged an additional \$2.56 in earned revenue, grants from provincial, federal or private sources, sponsorships, private and in kind donations.

The Region of Waterloo Arts Fund welcomes applications in all arts disciplines from individual artists and arts organizations based in the Region of Waterloo (comprising the cities of Cambridge, Kitchener and Waterloo and the townships of North Dumfries, Wellesley, Wilmot and Woolwich). Adjudication of applications is done by the Arts Fund's broadly based 14-member Board of Directors.

**The next deadline for applications to the Arts Fund is 4:00 pm on Friday, March 7, 2014; information is available on the website: [www.artsfund.ca](http://www.artsfund.ca)**
